Class Descriptions

Childbirth Preparation

Learn about the stages of labor, breathing and positioning techniques, common interventions, pain management options and more.

Breastfeeding

Learn about positioning, milk production, breast care, storage guidelines and going back to work.

Baby Care/Postpartum Care

Learn the basics of diapering, bathing, feeding, and safety for baby's first six weeks, and postpartum care for mom.

Family and Friends CPR

This American Heart Association course is an inexpensive alternative to CPR certification courses. While it is not a certification course, it is excellent training for parents, grandparents and others who care for your child.

Maternity Tour

See the maternity facilities at McLeod before you deliver. Children under the age of 14 are not permitted on the tour.

Infant Safety Class

This class provides families with education on how to properly install the different car seats needed throughout their child's life as well as how to decrease the risk of Sudden Infant Death Syndrome (SIDS) and accidental death of infants while sleeping. ***Please note: Upon registration, a form will be sent to you which must be completed and sent back one week prior to class date.***

Maternity Education FAQs

How much do classes cost?

All classes are free of charge.

Should my partner come to the classes?

We encourage both parents to attend all the classes whenever possible. All classes address the concerns and responsibilities of both parents.

How do I register for classes?

Register via the McLeod MyChart App or call McLeod Patient Access at 843-777-2005 or 1-800-667-2005. If you have questions about any of the classes, please call 843-777-2890. We ask that you register EACH parent or partner for the CPR class because space is limited.

Please keep in mind that the schedule is subject to change.
